Goa Human Rights Commission

Proceeding No. 87/2015

Inquiry Report

The Complainant is working at State Directorate of Craftsmen Training, Shram Shakti Bhavan, Patto, Panaji-Goa. He is a person with disabilities. The grievance of the Complainant is that there are no basic facilities to the persons with disabilities at the place of work. He has stated that the building is having more than 7 Government offices but does not have basic accessibilities to the persons with disabilities.

2. During the pendency of this proceeding, the President of Disability Rights Association of Goa, filed an application for intervention. The application was allowed and the President of the Disability Rights Association of Goa is added as Complainant No. 2. This Commission directed Shri Kiran Poduval, Dy. S. P. attached to this Commission to carry out inspection of all the Departments mentioned in the intervention application and submit his report to the Commission. Accordingly, Shri Kiran Poduval, Dy. S. P. attached to this Commission carried out inspection of 21 Government Departments in Panaji. He has reported that 21 Government Departments are not complying with the requirement of Section 46 of **"the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995"**, for allowing free and undisturbed access to the persons with disabilities to the public buildings/ Government Departments. He has furnished the list of the Government Departments which do not have basic facilities for persons with disabilities.

3. We have heard both the Parties. We have also perused the records of this case.

4. It is seen from the records that the Secretary (Social Welfare), Directorate of Social Welfare, Panaji-Goa by Circular dated 7-1-2014 brought to the notice of all the Head of Departments various Circulars issued by the Department from time to time and requested them to provide disabled friendly environment in their office premises to the Persons with Disabilities.

5. It has been brought to our notice that in Writ Petition No. 539/2004 Charmaine Abreu Lobo, the Hon'ble High Court of Bombay at Goa has passed the following order:—

The Learned Advocate General appearing for the State submits that the Government of Goa, Social Welfare Department in pursuance to the Order passed in the present proceeding directed the State Co-ordination Committee to prepare a State Policy. The draft policy was prepared in consultation with the Government Departments and the N.G.Os. The State Co-ordination Committee has finalized the State Policy and the plan for differently abled persons. He further states that the Government of Goa has approved the policy and plan of action for differently disabled persons. He places on record the State Policy and plan of action for differently abled persons by the Department of Social Welfare, Government of Goa, which is taken on record. In view of this, nothing further is required to be done in the matter. We hope and trust that whatever expressed in paragraph 3.6 of the Policy and Plan of Action, shall be meticulously followed as per the time schedule stated therein.

6. Government of Goa has formulated State Policy and Plan of Action for Differently Abled Persons.

The relevant portion of para-2.5 of the said State Policy reads as follows:

"Public building/places/transportation system, etc. shall be made barrier free through design changes, use of appropriate materials and strict adherence of building bye laws, space standards for barrier free built environment by 2008."

7. It is apparent that the State Government has not implemented para-2.5 of the said State Policy so far. The State Government has also not implemented para-3.6 in spite of the order dated 6-6-2006 of the Hon'ble High Court of Bombay at Goa passed in Writ Petition No. 539/2004.

8. In the facts and circumstances of this case, we make the following recommendation:

The State of Goa through its Chief Secretary, Secretariat, Porvorim-Goa and the Director, Directorate of Social Welfare, Panaji-Goa shall ensure that the State Policy and Plan of Action for Differently Abled Persons is implemented without any further delay.

Date: 04-12-2015.

Place: Panaji-Goa.
